

A place for someone 'like you'?

- 
- A photograph of a prison interior. A man in a white shirt and dark pants is walking on a walkway on the left side of the frame. The walkway is elevated and has a metal railing. The floor is made of metal grates. In the background, there are several cell doors with metal bars. The ceiling is a grid of metal panels with recessed lighting. The overall atmosphere is institutional and secure.
- 200,000 children
 - Over 50 % of the prison population
 - 65% Dads
 - Reoffending reduced by 39%

Familiarisation

Inside the entrance is the ticket desk and the way in.

Here is Hilary at the front desk. We've chosen a quiet day for this photo but it is usually a lot busier—especially during school holidays.

At the desk you can buy tickets, show your membership card or community membership ticket. You will be given a ticket which you can wear around your wrist. You can scan your ticket on barcode readers around the exhibition to save things you have made and see them later.
