

Guide to printing

If this is the first time you have run a 'Sound Matters' workshop you will need to print out some resources for the event before you start.

The Group Leader, Facilitator, Info and Task cards have already been printed and are available from ASDC. Please email info@sciencecentres.org.uk if you would like a set sent out to you. Alternatively, you may print your own copies. If you chose to print your own versions, please follow the print guidelines below.

Adult information pack

- If you haven't already done so, download 'AE Printed materials.pdf' from the 'Sound Matters' section of the ASDC website.
- Print the entire document.
- Guillotine pages 1 – 4 in half.
- Cut out the 'links between sounds' pictures for Task 4; cut out each image around its boundary box.
- Laminate the various pages / cut-outs.
