Join us at the 2018 ASDC Gala Dinner: 7pm Drinks Reception

The lively Gala Dinner is an opportunity for delegates and guests to meet and network over dinner with the UK's top public engagement professionals from Science Centres, Discovery Centres, Festivals, Universities and Science Museums.

This year's Dinner will be hosted at the vibrant Museum of Science and Industry with a warm welcome by our keynote speaker Lord David Puttnam, Chair of Atticus Education, member of the House of Lords and passionate advocate for the advancement of education.
