

Is science an important part of your life?

You may feel a strong connection to music, sport, fashion or your friends but do you also feel connected to science. Is science something for you? Choose the picture that best describes how you feel.

What does 'science' mean to you?

What (or who) do you think of? Draw a picture or write some words here.

Please tick the box if you agree:

- I am happy for my answers to be used in research
- I understand that I will not be named or identifiable in any way in this research
