

ISF Acknowledgement:

Inspiring Science Fund

The Inspiring Science Fund, a partnership between UK Research and Innovation (UKRI) and Wellcome, has invested £30 million in science centres across the UK, enabling them to revitalise their venues, their public offer and to develop more sustainable STEM engagement programmes for the future.

Funder boilerplates:

Wellcome

Wellcome supports science to solve the urgent health challenges facing everyone.

We support discovery research into life, health and wellbeing, and we're taking on three worldwide health challenges: mental health, global heating and infectious diseases.

We are a politically and financially independent global charitable foundation.

UKRI

UK Research and Innovation (UKRI) creates knowledge with impact by investing over £8bn a year in research and innovation through the UK's nine leading funding councils.

For credits/acknowledgement panels or on publications the following sentence should be used, with appropriate size/priority in layout relevant to whether ISF is the majority funder:

(This project has been made possible through the support of...)

...the Inspiring Science Fund – a partnership between UK Research and Innovation (UKRI) and Wellcome.

Logos for UKRI and Wellcome should both be included, with UKRI's appearing first.
